The Board would like to wish everyone a very Happy **FALL**. We would also like to thank all of the residents who have worked hard to maintain their homes and lawns ensuring Grove Park remains a community to be proud to live in! The new HOA Board members were voted into office at an October meeting and the new positions are as follows:

Scott Berti, President

Bob Hulihan, Vice President

Jessica Bruce, Treasurer

Karen Anthony, Secretary

At the annual meeting held in October, the association approved of implementing several changes. These changes include the introduction of a recurring newsletter to Grove Park residents, agreements with Acworth PD for more frequent patrols of the neighborhood, development of sub-committees that assist the HOA Board by acting as community representatives, and a community outreach project that is working to utilize the community services offered from nearby institutions.

Just as a friendly reminder that the speed limit in our subdivision is 25 mph. Keep in mind to completely stop at the STOP signs posted. We have lots of children who play in our neighborhood and we want to keep everyone safe!

We will continually ask Acworth PD to patrol the neighborhood and to stop any violators.

We are working diligently to correct these common violations and could use your help:

- Removing trashcans that are visible from the street
- Treating weeds in lawns and flowerbeds
- Lawns that are overgrown
- Lawns that need to be edged and cleaned
- The repainting of peeling trim and house paint on homes
- Cars being parked on grass areas and/or street

Should you need any help complying with any of the Grove Park Covenants, please feel welcome to reach out to your friendly neighborhood Board members via www.nextdoor.com or email groveparkacworthhoa@gmail.com.

Nextdoor.com

The new HOA Board is always considering ways to effectively advertise its intent and communicate with the residents of Grove Park. If you haven't already, we encourage you to visit and sign up for www.nextdoor.com. In an effort to hear the voices of our community so we can better serve its needs, our Board is actively monitoring and engaging messages on the website. It's also a great place to advertise things like yard sales, lost pets, or even meet new people.

Grove Park Website

We are working to update the Grove Park website. Once it is up and running, we hope it will make it easier for everyone to streamline their ideas for the community, report anything that needs the Board's attention, and help keep you informed of any updates. In the meantime, if you have any questions or concerns that you would like to share with the Board please contact us by visiting www.nextdoor.com, or send an email to groveparkacworthhoa@gmail.com.

In the Community

Yard of the Month: Each month we drive around to see who has the best yard. So keep those yards looking great because you may get the honor of showing it off soon!

Tips for Lawn Care: A friendly tip to keep your grass looking green is to make sure you prep the grass for winter by seeding your lawn (Ex. Scott's Turf Builder Winterguard Fall/Winter Seed). As always remember the three main keys to making your yard look great: **Cut, Edge, and Clean Up!**
