1. While we encourage you to have fun on the playground, we would ask that you **please do not smoke on or near the playground, leave any trash, or bring glass bottles and containers to this area.** The amenities will last a long time if everyone helps to take care of it so our little ones can stay safe while having a great time.
2. The playground recently underwent a refurbishment, so we ask that you please help us maintain this area but following the rules. Also, NO PETS allowed in the mulch area or on the playground itself. Please be respectful of your fellow neighbors and their children. If you see anyone violating these rules or need assistance, please email the Board at groveparkacworthhoa@gmail.com
